

FAUSTINO ART COLLECTION ROSÉ

Description

Clean, bright, nice pale pink salmon. In nose, fruity intensity with pleasant floral notes. Delicate, fine, very subtle aromas of currants and lilacs. Notes of tropical fruit at the end.

Very pleasant passage, good acidity well integrated that provides a long freshness in the mouth. Medium long. Fresh. The fruity aromas persist with intensity.

It is perfect with appetizers, rice and pasta with light sauce. It also matches very well with international dishes such as the Peruvian crab cause or the Asian dim sum and gyozas.
