

FAUSTINO VII CABERNET SAUVIGNON

Description

Medium depth. Clean, bright. Ruby red colour with purple iridescence on the rims. On the nose, intense, fresh. The vegetal aroma (pepper) combines perfectly with the fruit aromas (pomegranate, plum, blackcurrant, blackcurrant, black fruit) that appear later. In the background, the notes of its time in oak (vanilla and roasted coffee) are perceived.

On the mouth, young. Structured, full-bodied. Very smooth tannin. Fruity sensation. Pleasant in the mouth, balanced. Long aftertaste. Reminiscences of

black fruit and, very subtly, of the toast from the barrel.

It matches very well with ham tapas, spanish potato omelette. It can also be combined with rabas (fried squid) and fried fish.

Issues

Red Wine Cabernet Sauvignon

48 hours maceration and 26°C fermentation

75 cl.
